

# PLANOVA™ SEMINAR 2021 INDIA

## VIRTUAL EVENT, 12 FEBRUARY 2021

Greetings from Planova!!!

Firstly, let me allow to express gratitude to all those who are working tirelessly to develop and producing drugs to fulfil demands of our society during these unprecedented times of coronavirus pandemic.

Asahi Kasei Medical stands with these corona warriors as “Bioprocess Solution Supplier” using the established brands like “Planova™”. As a matter of fact, we have committed support to the alliance formed to develop unbranded plasma-derived therapy, i.e. anti-SARS-CoV-2 polyclonal hyperimmune globulin (H-IG), from the blood plasma of COVID-19 recovered patient to treat individuals with serious complications from the same disease.

We are pleased to announce Planova Seminar 2021 India as part of our effort towards “Connecting in Pandemic” with social responsibility. This event will be held on 12 February 2021. We look forward to your enthusiastic participation.
